

## ANNOUNCING A BRAND NEW INCENTIVE PROGRAM FOR YOUR FORUM TO MAKE MONEY!

# FORUM FUNDS

**Strategic Alliance Partners are an invaluable resource to EO Nashville.**

We are paying even more for SAP visits now, and ask that ALL Forums have at least 4 visits per year! In addition to the subject matter expertise, knowledge of industry trends, and offering space for Forum meetings, their partnership also generates more than \$1000 of funds per member. The main ROI for our SAPs is connections with EO members, through informative, personalized conversations tailored to your Forum's needs.

### WE OFFER THE FOLLOWING FORUM FUNDS:

- **Host an SAP for a Deep Dive Discussion** (Approx. 30 minute Forum Visit) \$250/Visit (unique within a 24 month period – each visit must be logged within 30 days)
- **Forum Meet & Greet** – have a group of (2-3) SAPs attend the beginning or end of your meeting for a 30-minute meeting to get to know each other - \$150/Meet & Greet (max 2 per year – must be logged within 30 days)
- **Refer a new signed paying SAP** to partner with our chapter - \$500 (Must be the first member to refer them, and they must sign the agreement and make the minimum payment prior to the Forum receiving funds.)

*All funds earned will be issued quarterly to the SAP Champion on a Divvy Credit Card that will expire 6-months after end of Fiscal Year earned or a check if preferred.*
